MULTIPIN

EMPS

The Multipin is an electronic identification one piece tag used for the effective identification of sheep and goats. The Multipin tags are supplied in strips of 10. Consisting of a large print surface to allow for more options when laser marking.

They are available in 11 bright colors and designed to withstand the harshest of UV conditions to ensure sustainability and avoid fading.

Multipin tags are applied using the Applicator Multi 3 in 1.
